WorkCentre® 4260 Multifunction System

Accelerate office productivity with the Xerox WorkCentre 4260. It combines world-class copy, print, colour scan and fax capabilities with exceptional reliability and ease of use. It's ideal for the busy office that needs departmental capabilities in a value packed A4 system.

Value through extensive features

The competitively priced WorkCentre 4260 multifunction system is loaded with features to help you manage costs without sacrificing power.

- **Tailored to your business requirements.** Configurations ranging from desktop to floor standing models provide copy, print, scan, email and fax functions. Larger finishing capabilities include collation, stapling and paper input of up to 3,100 sheets.

- **Speed to handle heavy demand.** Copy and print as fast as 53 ppm, with the first page out in as little as 6 seconds.

- **Colour scan capabilities.** You can communicate quickly using colour via email or digital file distribution without the additional cost.

- **Usage counters.** Lets you track and analyse device usage by function for greater cost control.

Easy to install, use and maintain

Unprecedented ease of use and reliability from a truly robust and integrated multifunction.

- **Network-ready.** Easy to install on Microsoft Windows, Apple Macintosh and Linux networks. New global print drivers from Xerox greatly simplify driver management.

- **Eases network management chores.** Enabled with remote device monitoring and troubleshooting, using CentreWare IS embedded web server and CentreWare Web, as well as third party management systems.

- **Walk-up ease of use.** Includes an intuitive icon-based colour touch screen with easy instructions and Help screens for copy, scan and fax jobs. You can print from a USB memory drive or scan and store for convenient printing later – no computer needed.

- **Keep confidential documents safe.** Password-protected secure print and encrypted hard disk ensure security.

- **Award-winning Xerox service and support.** Backed by a standard one-year on-site warranty.

Get everything you would expect on a powerful Xerox device, but get it in a small size at a small price!

Save Money

- Automatic two-sided printing saves paper.

- Fax forward to email feature lets you avoid extra printing.

- Toner cartridge and imaging unit are separate consumables maximising the life of each.

- Consistent energy save mode reduces your utility bill.

Save Time

- Due to its small size, it can be located conveniently close to users.

- ID Card Copy scans both sides of an ID card and prints them face-up on a single sheet of paper.

- Its Print Around feature automatically holds any job missing resources (such as a different paper size), and prints the next job in the queue.

- Multiple functions can be accessed at the same time: scan while printing or receiving an inbound fax, and interrupt a print job to make a copy.
